# High Level Course on Insolvency Law in Eastern European Jurisdictions

**1st Course  
Romania  
2017**

**Modules 1 & 2:  
Hotel Caro, Bucharest  
Module 3: On-line**

## **Module 1**

2-4 February 2017

International  
best practice  
and comparative  
examples

## **Module 2**

29 June - 1 July 2017

An analysis of  
the main elements  
of Romanian  
insolvency law

## **Module 3**

24-25 November 2017

On-line  
follow-up and  
case/paper  
submission

### **Course Objectives**

- To convey the main elements of international best practice; and
- To deepen the knowledge and interpretation of Romanian insolvency law.

### **Delivery Method**

The classes will be seminar-based and fully interactive. The training will have a theoretical base but fundamentally a practical approach using a case-study methodology for each module.

### **Target Participants**

Professionals involved in the insolvency practice of the jurisdiction, with special focus on high level lawyers, IPs, judges and state officials.

### **Course structure**

3 modules, 2 consisting of 3 half-days each and one on-line with an additional one-day workshop, all to take place within one calendar year, with a separation of approx. 5 months.

- Main language English with simultaneous translation provided
- 20 professional points awarded by INPPI
